Dear Parents,

Welcome to the 2024- 2025 academic school year!
It was a pleasure meeting with you today.
Let's join hearts and effort to ensure a prosperous year in kindergarten, one of growth and development.

Mathematics homework will be uploaded using this website (Archie) weekly. You will be required to print and have my student complete the homework, then place it in the specified folder in their book bag and submit to me on the due dates. My email address is kadisha.mills@archimedean.org free to contact me. I usually respond within 48hours.

As your child's mathematics teacher, I pledge the love, wisdom and courage of my mind to their advancement. My aim is to work with them creatively and honestly and to collaborate with you as they flourish and grow healthy, wealthy and wise.

Have a good evening.
