

2α- Δημοτικού - Ελληνική Γλώσσα

Dear 2nd Grade Scholars and Parents ,

To facilitate the process of learning the Greek alphabet and corresponding letter sounds, I ask if you could please review the following links with the Greek Alphabet and with two educational Greek alphabet videos from Youtube. I think that you will enjoy it very much. Also, a hard copy with the Greek Alphabet was sent home with your child inside the orange folder. This is not a homework assignment. This is just something that I would like for the scholars to practice during their free time or whenever they are able to do so.
